◆ Part 3: Reading (10 points)

Read the passage and answer the questions

Laos is a country where many people follow Buddhism. They often go to the temple to pray and make merit. Temples are important in Lao culture.

Today, the environment is a big problem. Pollution and rubbish make the air and water dirty. This can cause health problems for people and animals. We should protect wildlife and keep our environment clean.

Answer the questions (5 points)

1. What religion do many people in Laos follow?
   → _____

LIVEWORKSHEETS

2. Where do people go to pray?
   → _____
3. What are the environmental problems mentioned?
   → _____
4. Why is pollution dangerous?
   → _____
5. What should we do to help the environment?
   → _____

True or False (5 points)

2. ___ Pollution can make people sick.
3. ___ Wildlife means only plants.
4. ___ People should protect the environment.
5. ___ Rubbish helps the environment.

◆ Part 3: Reading (10 points)

Read the passage

Development assistance helps improve people's lives in many countries. It supports education, health, and the economy. In rural areas, people often have fewer opportunities than in cities.

For example, some communities do not have clean water or good schools. With assistance, these areas can become better places to live. Over time, life becomes easier and healthier.

Answer the questions (5 points)

1. What does development assistance do?
   → _____
2. Which areas need more help, cities or rural areas?
   → _____
3. What problems do some communities have?
   → _____–
4. How can assistance help people?
   → _____
5. What happens over time?
   → _____

True or False (5 points)

1. ___ Development assistance makes life worse.
2. ___ Rural areas often have fewer opportunities.
3. ___ All communities have clean water.
4. ___ Assistance improves education and health.
5. ___ Life becomes healthier with development.
