

Story: A Busy Day

Yesterday, I **woke up** early. I **brushed** my teeth and **washed** my face. Then, I **helped** my mom in the kitchen. We **cooked** breakfast together.

After that, I **played** with my friends outside. We **jumped, laughed, and walked** to the park. Later, I **watched** TV and **listened** to music.

At night, I **cleaned** my room and **talked** to my family. I **finished** my homework and **rested**. It was a happy day!
