

Jane: No problem.

1. Tony: I need a pencil. This pencil is too short. Do you have one?

Jane: I know, I have some dictionaries in it.

Tony: Where is your bag?

Tony: thanks for the pencil. Can I use this ruler?

Jane: Yes, there is a pencil in my bag. It is in the big blue bag.

Jane: My bag is over there, between the small desk and the long table.

Tony: This bag? It's heavy.
