Class 3C – World Week – Turkey

By Samuel Rose

Merhaba!

Last week was World Week, and in Class 3C we learned all about Turkey. We did so many exciting activities!

In art we looked at paintings by a famous Turkish artist. Her name is Fahrelnissa Zeid. Her paintings use shapes and lots of bright colours. We painted pictures with bright colours like hers.

In music we worked in two groups and learnt two traditional Turkish dances. Our dance was difficult and I wasn't very good at it, but it was fun.

In geography we learnt about some famous buildings in Turkey. My group chose the library in Ephesus. It was built by the Romans and is nearly 2,000 years old. We read about it on the internet and then we made a model of it using cardboard, paper and glue.

My favourite lesson about Turkey was in history. We learnt about a man – Hezârfeñ Çelebi – who made himself wings and flew across the Bosphorus from Europe to Asia in 1632. In Turkey they call him 'the first flying man'. Many people say the story isn't true, but I loved it.
