Design a Floating Market on the Tigris!

Step 1: Plan Your Market

Baghdad was built on the **Tigris River**. It was a busy "crossroads" where people traveled in boats to trade and sell exciting goods!

Before you draw, let's plan what your floating marketplace will look like.

Word Bank (Things to sell):

Silk cloth | Sweet spices | Paper scrolls | Fresh fruit |
Colorful rugs

1. The name of my floating market is:

.....
.....

2. The three goods I will sell on my boats are:

.....
.....
.....
.....

Step 2: Draw Your Market

Top Tip! Include the blue water of the Tigris River, 2 or 3 wooden boats, and draw the goods you chose in your plan inside the boats.

Use the big space below to draw and design your floating marketplace!
