

## Angus & Julia Stone - Down To The Sea

And the \_\_\_\_\_ is made of golden \_\_\_\_\_  
Just because I understand doesn't mean that I believe  
It gets lonelier than this  
Standing in the corner of the \_\_\_\_\_ things we missed

Oh, and the fire wasn't my idea  
You were the one who changed the \_\_\_\_\_  
Oh, and the fire wasn't my idea  
They tell you you're \_\_\_\_\_, but you're not  
Oh, I'll take you down to the sea

You can tell me your philosophy  
Just because I understand doesn't mean that I believe  
It gets lonelier than this  
Standing in your \_\_\_\_\_

[Refrain]
