SUBJECT My house

Hi! I live in an old house in Helsinki, in Finland. My house has got a black roof. It's got a chimney, because it's got a fireplace! There's a living room and a kitchen downstairs. There are three bedrooms upstairs. There are stairs from the living room to the bedrooms.
My bedroom is under the roof! It's got grey and white walls. There isn't a lot of furniture in my bedroom. There aren't any shelves. There's a sofa next to the bed. There are cushions on the sofa, and there's a guitar on my bed. I like my bedroom because it's cool!
