Predicting from pictures

Select the word that best describe each picture.

mother	aunt
--------	------

father	uncle
--------	-------

grandfather	father
-------------	--------

grandmother	mother
-------------	--------

sister	brother
--------	---------

sister	brother
--------	---------

Listen to the story and thick the words: uncle – aunt – parents- son – daughter – cousin

Meet Leo! Leo has a big, happy family. He lives in a house with his **parents**, his mom and his dad. Leo is their **son**, and his sister, Mia, is their **daughter**.

Today is a special day! Leo's **uncle** and **aunt** are coming over for lunch. They are bringing Leo's favorite person: his **cousin**, Sam.

Leo and Sam like to play with toy cars on the rug. Mia likes to show them her drawings. They all laugh and have fun together. Family time is the best time!
