Fuel Your Body for Success

As a student, it's important to eat healthily to stay focused and energized throughout the day. A balanced diet consisting of fruits, vegetables, whole grains, and lean proteins can help keep your body and mind in top shape. A great way to ensure you're having a good lunch at school is to pack your own lunch with foods that are good for you. Some examples include a turkey and cheese sandwich on whole wheat bread, carrots and hummus for a snack, and an apple for dessert. It's also important to limit sugary drinks like soda and sports drinks and opt for water or milk instead. Following a healthy diet can also help prevent illnesses and keep your immune system strong. So next time you're packing your lunch for school, remember to include healthy and nutritious foods to support your body and help you succeed!

A. True /False Questions

People in the entertainment world have many different styles. Take Emma Watson, for example. As a child, she had long, curly hair, but now she often changes her look. In some films, she has light brown hair and a very slim build. On the other hand, some actors are famous for their unique features. Keanu Reeves is a tall man who often has a beard and long, black hair. Similarly, Johnny Depp is well-known for his style; he often wears sunglasses and sometimes has a moustache.

Not everyone is an actor, though. Park Hang-seo is a famous sports coach. He doesn't have long hair; in fact, he is bald now. He has a round face and often wears glasses when he is working. Whether they are tall or average height, slim or average build, these famous people all have a "Who's Who" look that fans recognize everywhere.
