

1. Read the text and answer the following questions:

### Happy Free Time Together

Maha and Mahra are best friends who enjoy their free time together. They often go swimming at the beach and laughed together while playing in the water. Sometimes, they stay at home and enjoy reading interesting books.

Mahra loves painting, so she paints beautiful pictures of flowers and nature. Maha enjoys watching movies and playing computer games in the evening. They both like to relax and have fun.

At the weekend, Maha and Mahra go hiking in the mountains or go camping in the desert. They spend time talking, playing, and enjoying nature.

Maha and Mahra love their free time because they spend it doing fun activities together.
