

1. Read the text and answer the following questions:

Hobbies and Free Time

People like to do different hobbies in their free time. Some hobbies are done at home, and some are done outside. Many children like reading at home because it is fun and quiet. Some people enjoy painting because it is relaxing. Others like playing computer games at home.

Some hobbies are outdoor activities. People go swimming in water. They go hiking in the mountains. At the weekend, families go camping together. Some people like watching movies at home with their family.

Hobbies help people feel happy and relaxed.

Reading - painting - playing computer games - swimming -
hiking - camping - watching movies
