

Name: \_\_\_\_\_ Class: \_\_\_\_\_ Date: \_\_\_\_\_

How can you sort these objects? Complete the chart. Explain how you organized the data.

| Clothing | Toy | Instrument |
|----------|-----|------------|
|          |     |            |

Use the tally chart to answer the questions.

- Which insect did the fewest choose? \_\_\_\_\_
- Which insect did the most choose? \_\_\_\_\_
- How many more students chose butterfly than ant? \_\_\_\_\_ students

| Insect                                                                                          | Tally |
|-------------------------------------------------------------------------------------------------|-------|
| Ant        | I     |
| Bee        | II    |
| Butterfly  | III   |
