Hakim : Hi Hannah, congratulations on your new shop. How is it doing?

Hannah : Hi Hakim. Hmm.. Times are tough. Covid 19 lockdown is keeping us from reaching out to potential customers. So, I'm trying to figure out the best way to attract more of them but with a limited budget.

Hakim : _____ putting advertisement in local newspapers and magazines? That way, more people who live nearby will know of the existence of your store.

Hannah : _____, but since the beginning of the pandemic, very few customers would want to visit physical stores. Besides, nobody reads newspapers or magazines these days. Even my dad gets his news online. It might be better to do a radio advertisement though. It's because everyone listens to the radio when they are stuck in a jam.

Hakim : _____ because the only radio stations that people listen to are national ones which are very expensive for a small store like yours. Now that everyone is stuck at home and online, _____ launching your own website?

Hannah : _____, but I don't have the skills to setup and maintain a website. I think an easier way is to create a Facebook page and advertise there.

Hakim : _____. Most of the people with money are in Facebook, and there are easy ways for you to link your Facebook with an Instagram page too.

Hannah : Okay, I think I know what I need to do next. Thank you so much for helping me with this.

Hakim : No problem. Don't mention it.
