Date: _____

Light Sources: Knowledge Check

1. Natural or Artificial?

Look at the pictures. Is the light **Natural** (made by nature) or **Artificial** (made by people)? Write the correct word next to each picture.

Word Bank:

Natural**Artificial**

2. Word Match!

Draw a line to match the word to its meaning.

1. Light

A) The place where light starts.

2. Source

B) Light made by people.

3. Natural

C) Something that helps us see.

4. Artificial

D) Light made by nature.

3. Think and Draw

Imagine you are camping in the beautiful UAE desert at night.

Draw **one natural** light source you would see up in the sky, and **one artificial** light source you would use to see inside your tent.
