

The Nights by Avicii

Once upon a younger year
When all our shadows disappeared
The animals inside came out to play
Went _____ with all our fears
Learned our lessons through _____
Made **memories** we knew would never **fade**

One day, my father, he told me, "Son, don't
let it slip away"
He took me in his arms, I heard him say
"When you get older, your wild heart will live
for younger days
Think of me if _____"

[Chorus]

He said, "One day, you'll

_____ "
So live a life you will remember"
My father told me when I was just a child
"These are the nights _____"
My father told me

"When thunderclouds start pouring down
Light a fire they can't put out
Carve your name into those shining stars"
He said, "Go venture far beyond the shores
Don't **forsake** _____
I'll guide you home no matter where you are"

One day, my father, he told me, "Son, don't let it
slip away"

When I was just a kid, I heard him say
"When you get older, your wild heart will live for
younger days

Think of me _____"

[Chorus]
