

Complete the paragraph using the correct phrasal verb from the box:

ADD TO – GET ACROSS – MISS OUT – PUT OFF – TAKE OFF – TRY OUT

Last year, I decided to _____ a new hobby and share my videos online. At first, I was _____ by negative comments, but I didn't let that stop me. I didn't want to _____ on something that could be really fun. My friend helped me _____ my ideas clearly so viewers would understand them. Soon, my channel started to _____ and became very popular! All this really _____ my motivation to keep going.

Now let's try using them in conversation.

Alex: Hey, have you seen Mia's new YouTube channel?

Ben: Not yet! I wanted to watch it yesterday, but I was kind of _____ by all the homework.

Alex: You really shouldn't! You'd definitely _____ some fun content if you skip it.

Ben: Okay, I'll check it today. Did she manage to _____ her ideas clearly in the latest video?

Alex: Totally! And her channel is starting to _____ — she's getting so many subscribers.

Ben: Wow, that's amazing! I've been thinking of making my own videos, but I'm nervous to _____ new things like that.

Alex: Don't worry! It's fun, and it will really _____ your confidence once you start.
