

Meet Julia and Daniel

Julia

Hello! My name is Julia López. I am 34 years old and I am from Argentina. I live in Buenos Aires. I am a nurse and I work in a hospital.

I like music, movies, and coffee. On the weekend, I like walking in the park and meeting my friends. I also like reading books at home.

I am a student in an English class because I want to learn new things and speak English with people from other countries.

Daniel

This is Daniel Pérez. Daniel is 36 years old. He is from Argentina too. He lives in Buenos Aires, near Julia's house.

Daniel is a taxi driver. He works many hours every day. After work, he likes watching TV and listening to music. On the weekend, he likes playing football with his friends and drinking coffee.

Daniel is also a student in the same English class as Julia.

Julia and Daniel are good friends. Their English class is on Tuesday and Thursday evenings.

The class is interesting and fun. In the class they read, listen, write, and speak English. Sometimes English is difficult, but Julia and Daniel think it is very useful. They are happy to learn English together.
