

Modal Verbs

CAN, COULD, MUST, SHOULD (OUGHT TO), WILL, WOULD, MAY, MIGHT, NEED'T, HAVE to

USAGE =se llaman modales porque no tienen pasados (**could**) ni futuros como los verbos normales (eat,drink,play,study etc) ; **es decir no se conjugan, se niegan y se hacen preguntas con ellos mismos**(Can she play piano?= No, she cannot play piano), nunca van dos modales seguidos (i will can study medicine the next year) additionally they don't have TO after

Have to es un semi-modal, necesita de un verbo auxiliar para negar o hacer preguntas

(does she have to study for the exam? = No,she doesn't have to study for the exam)
