

Unit 9 – Lesson 9

Four Ways to Redesign Your Classroom

Are you of your classroom always looking the same? We to designer Dario Calzini. He has a lot of ideas for simple that you can suggest to your teacher to make your classroom more or Here are four of his tips:

1 Change how you use the

Would your teacher like a space for? Dario told us to a rug near the bookshelves to a quiet reading area.

2 Change the color.

Ask your teacher.....you can change the color of the walls to the room brighter. Dario told us use pale colors because they can a room look bigger and more stylish.

3 Change the of the furniture.

Would your teacher like a more classroom? and draw your classroom. Then draw and cut out of the furniture. You can then move themon your plan of the classroom to find the best place for everything.

4 Reduce the number of objects.

We asked Dario how wecreate more space. He told us to put away any books or posters we don't need or give them to class. Start with a clean design and then put only the you really need back in.

Ask Dario a design here.
