

Latitude Lines Detective

Part 1: The Latitude Line-Up

Lines of latitude are imaginary lines that circle the Earth from east to west. The Equator is the most famous one!

As a Latitude Detective, your first job is to match the famous lines to their correct degrees. Use the word bank below to fill in the missing codes.

Line of Latitude	Write the Degree
Equator	
Tropic of Cancer	
Tropic of Capricorn	
Arctic Circle	
Antarctic Circle	
North Pole	
South Pole
