

Name:.....

Read the text. Answer the following questions

In my class, some students are sick today. Aisha keeps coughing again and again and finds it hard to speak. Sara's stomach hurts, so she cannot eat her food. Alia is sneezing and her nose is runny. Fatima's head hurts, so she wants to rest quietly. I hope my classmates feel better soon. We miss them in class and want them to come back healthy and happy.

1) Who has a cold?

1) Who has a cough?

1) Who has a headache?

1) Who has a sore stomach?

Aisha

Sara

Alia

Fatima
