

Sara Goes Shopping

Sara goes to the market. She wants to buy some fruit. A woman sells bananas and grapes. Sara has some money in her bag.

Sara asks, "What is the price of the bananas?" The seller says, "They are 8 dirhams."

Sara smiles and says, "That is cheap. I buy three bananas." Then Sara sees a doll. She asks, "How much does this doll cost?"

The seller says, "It costs 60 dirhams."

Sara says, "That is expensive. I do not buy it."

Sara uses her money to pay for the bananas. She is happy and goes home.
