

THE HUNGER GAMES

1. Read and complete the review with the correct option.

The Hunger Games

Sci-fi adventure, 2012

In the future the USA is a new country called Panem. Every year the Capitol chooses 12 boys and 12 girls in the TV show 'The Hunger Games'. In this show, the teenagers have to fight each other.

Katniss (Jennifer Lawrence) decided to participate in the show in order to save her little sister. Luckily, her partner is Peeta (Josh Hutcherson). But by the end of the movie everything started to change...

I enjoyed watching the movie very much. It was thrilling and the special effects were great. The film is good because it is exactly the same as the book.

Go and watch it soon! 😍
