

## 93 Million Miles

Jason Mraz

93 million miles from the sun  
People get ready, get ready  
Cause here it comes, it's a light  
A beautiful light, over the horizon  
Into our eyes  
Oh, my my how beautiful  
Oh my beautiful mother  
She told me, son in life you're gonna go far If you do it right, you'll love where you are  
Just know, wherever you go, you can always come home

240 thousand miles from the moon, we've come a long way to belong here  
To share this view of the night  
A glorious night  
Over the horizon is another bright sky  
Oh my my how beautiful  
Oh my irrefutable father  
He told me, son sometimes it may seem dark, but the absence of the light is a necessary part  
Just know, you're never alone. you can always come back home  
Ohhh, ohhh

You can always come back

Every road is a slippery slope  
But there is always a hand that you can hold on to  
Looking deeper through the telescope  
You can see that your home's inside of you

Just know, that wherever you go  
No you're never alone  
You will always get back home

Ohhh, ohhh  
Ohhh, ohhh  
Ohhh

93 million miles from the sun  
People get ready, get ready  
Cause here it comes, it's a light  
A beautiful light, over the (10)..... Into our eyes

### Drop and Drag the answer !
