

READING

- A** Scan the article. Write three activities people can do at the mall.

SHOP AND SWIM!

West Edmonton Mall is a really big mall in Canada. There are over 800 stores in the mall. Customers can buy clothes, shoes, wallets, and watches—it sells many things. There are lots of things to do at the mall, too. You can watch a movie, go ice skating, eat—and shop!

West Edmonton Mall has an underground aquarium, with over 100 different kinds of fish, turtles, and other sea animals. And there's also an indoor waterpark in the mall. You can swim in the pool and play in the waterpark. West Edmonton Mall is really cool!
