### What Would You Change in Your Life?

#### Instructions

**Read the text carefully. Then answer the questions.**

People often imagine different lives when they are not completely satisfied with their current situation.

Luis works many hours every day and rarely has time to relax. He feels stressed and sometimes frustrated. He says, "If I had more free time, I would learn to play the guitar and spend more time with my family."

Sofia is a student who enjoys learning English, but she usually stays quiet in class. She is afraid of making mistakes. She says, "If I were more confident, I would participate more and practice speaking with my classmates."

Mateo lives in a large city where there is constant noise and heavy traffic. He likes some aspects of city life, but he often feels overwhelmed. He says, "If I lived in a small town, I would feel more relaxed and spend more time outdoors."

These situations are not real, but they help people reflect on possible changes in their lives.
