### A Day in the Life of Kenji

Kenji is a 15-year-old student who lives in Tokyo, Japan. He lives with his parents and his younger sister. Every morning, he wakes up at 6:30 a.m. and gets ready for school. For breakfast, he usually eats rice, eggs, and soup.

Kenji goes to school by train. His classes start at 8:30 a.m. and finish at 3:30 p.m. At school, he studies English, math, science, and history. His favorite subject is English because he enjoys learning new words.

After school, Kenji sometimes stays for club activities. He is part of the soccer club and practices twice a week. On other days, he goes home and does his homework.

In the evening, Kenji has dinner with his family. Then, he watches TV or plays video games. He usually goes to bed at 10:30 p.m. Kenji likes his routine, but he wants to travel to other countries in the future.
