

THE IRONY INVESTIGATION

Instruction: Complete the Contrast Chart by placing the phrases below into the correct categories:
'The Expectation' vs. 'The Ironic Reality'.

Buying the real diamond ruins her life for 10 years.

It will make her happy/important.

She is finally a "high society" lady.

It makes her cry because she has "nothing" to wear.

She is only "acting" the part with a borrowed item.

Buying a real diamond saves her honor.
