New Ways of Living: Are we helping the planet?

Modern technology is changing how we live. Nowadays, many people don't go to an office but prefer 🏠 **(1)**_____. This is great because it reduces air 🦨 **(2)** _____ from cars. Many people also spend their free time 🤝 **(3)** _____ at a local 🌲 **(4)** _____ to help protect trees and animals.

However, our families are changing too. It is now very common to see a 👨‍👩‍👧‍👦 **(5)** _____, where children from different marriages live together happily. In our homes, we should also be more creative. Instead of throwing things away, try ♻️ **(6)** _____ – giving old furniture a new life.

Lastly, we must remember people in need. Many 🚶 **(7)** _____ has to leave their home because of war. We should help them find a safe place in our society. If we all become a little bit of an 📣 **(8)** _____ for the planet and people, the world will be better.
