My Neighborhood

My Neighborhood

My neighborhood is small but very nice. **There is** a park in front of my house, and **there are** many trees around it, so **there isn't** any pollution. **There is** a supermarket next to the park, and **there are** two restaurants on the corner. On weekends **there is** too much noise.

There is a school behind my house, and **there are** many students there every day. **There is** also a hospital near the school. **There are** some benches in the park, and **there is** a playground for children.

There are many houses in my neighborhood, and **there are** a few apartments. **There isn't** a cinema, but **there is** a bus stop near my house and **there is** much parking. The bus stop is between the supermarket and the park.

Grammar Explanation

There is / There are

There is = for **singular** (one thing) **Example**: There is a park/There isn't a bank.

There are = for **plural** (more than one) **Example**: There are two restaurants/There aren't any shops
