EXCERCISE 1 - LISTENING AND READING COMPREHENSION,

Diego's Dream

Diego is a student. He is 14 years old and he lives in a small town. There is a school near his house and there are many students. Diego always goes to school early and he often reads English books. He sometimes writes short sentences and draws pictures. He wants to become a good student and he knows English can help him.

Every day, Diego begins his routine at 7 a.m. He eats breakfast and usually drinks milk, he never eats junk food. There is a notebook in his bag and there are pencils and books. He always studies English and he speaks in english with his teacher. He never forgets his homework. He feels happy when he understands new words and he never quits.

At school, Diego and his friends do many activities. They run, play, and sometimes swim. His teacher gives him books and teaches new verbs. Diego reads, writes, and speaks English every day. He thinks learning English can bring better opportunities and help him grow.

In the future, Diego wants to travel and fly to another country. He wants to work, build a good life, and help his family. He says, "**I will not lose this opportunity.**" He always studies and never stops. There are many dreams in his mind, and there is a big future waiting for him.
