***Reading***

**2. Fill in the gaps in the text, using phrases in the list.**

**Most Popular Careers of the Present Day**

**1 Network Systems Analyst**

The development of IT has led to an increase in organizations seeking installation and maintenance of networked communications. Systems analysts solve problems related to networked computer technology.

**2 Physician assistants**

Physician assistants are trained to provide diagnostic, therapeutic, and preventative health care services, as overseen by a physician. Primary health care settings include family medicine and pediatrics.

3 Software Engineer

As IT continues to evolve, so does the work of computer software engineers, who design and develop new computer software systems. The engineer analyses users' needs and designs software or programs to meet these needs.

4 Fitness Trainer

Aerobic instructors and fitness trainers lead groups and individuals in a range of exercise activities. More people are spending time and money on their leisure activities, meaning employment opportunities for fitness instructors will grow.

5 Dental Hygienists

As our health care involves an increasing emphasis on oral health and retention of natural teeth, work opportunities for dental hygienists are set to grow. Hygienists examine patients' gums and teeth, remove deposits, administer x-rays, and more.

**People of this profession \_\_\_\_\_**

- A \_\_\_\_\_ care about patients' gums and teeth.
- B \_\_\_\_\_ are being in increasing demand.
- C \_\_\_\_\_ care of people's oral health and retention of natural teeth.
- D \_\_\_\_\_ create new programs and other operating information used by a computer.
- E \_\_\_\_\_ are qualified to assist a physician and carry out routine clinical procedures supervised by a physician.
- F \_\_\_\_\_ resolve problems concerning networked computer technology.

*Writing*

**3. Complete the Second Conditional sentences.**

- 1) I \_\_\_\_\_ (be) happy if you \_\_\_\_\_ (help) me to do this task.
- 2) If we \_\_\_\_\_ (can), we \_\_\_\_\_ (fulfil) this work.
- 3) You \_\_\_\_\_ (be) an architect if you \_\_\_\_\_ (graduate) from this college.
- 4) If my friend \_\_\_\_\_ (win) this race, he \_\_\_\_\_ (get) the gold medal.
- 5) The spectators \_\_\_\_\_ (like) the new play if the actors \_\_\_\_\_ (play) their parts well.
- 6) If you \_\_\_\_\_ (finish) cleaning your room before lunch, you \_\_\_\_\_ (go) for a walk in the park.
