Hi Laura!

A We're also going to go up the river in kayaks and take part in the 'repeat photography' project. Every year, volunteers take photos from the same spots around the park. This year, my group is going to take some of the pictures. Then, experts can use them to spot environmental problems and protect the park.

B Guess where I am! I'm in Groveland, a small town just outside Yosemite National Park. Tomorrow, I'm joining a volunteer group in the park and I can't wait!

C I think I'll have an amazing time in Yosemite! What are you going to do this summer?

D We're going to sleep in tents on the bank of the Merced River. In the daytime, our jobs will probably include picking up litter and repairing paths in the park. It's important that we look after our environment. I expect we'll have chores to do at the campsite, too, like doing the washing-up and helping in the kitchen. But I don't mind – it's going to be fun living in the forest! I'm sure I'll see some interesting wild animals, but I hope Yosemite's famous black bears won't come too close!

Write back,
Wendy
