Mother's Day

READING COMPREHENSION ACTIVITY

Mother's Day is a special holiday in the United States. People celebrate it on the second Sunday in May. On this day, children and adults show love to their mothers. Many people give gifts like flowers, chocolates, or cards. Some families make a special meal at home, and others go to restaurants. Children often make handmade gifts at school. Mother's Day began in the early 1900s with Anna Jarvis. Today, people celebrate it across the country. Many people also call or send messages to their mothers.

A. Read the text and decide whether the sentences are true or false.
