

Shape of my heart by Sting

He deals the cards as a meditation
And those he plays never suspect
He doesn't play for the money _____
He doesn't play _____

He deals the cards to find the answer
The sacred geometry of chance
The _____ of a probable outcome
The numbers lead a dance

[Chorus]

I know that the spades are the _____ of a
soldier

I know that the clubs are _____ of war
I know that diamonds mean money for this art
But that's not the shape of my heart

He may play the jack of diamonds
He may lay the queen of spades
He may conceal a king in his hand
While a memory of it fades

[Chorus]

That's not the shape, shape of my heart

And if I _____ that I loved you
You'd maybe think there's something wrong
I'm not a man of too many faces
The mask I wear is one

But those who speak know nothing
And find out to their cost
Like those who curse their luck in _____
And those who fear are lost

[Chorus]

That's not the shape of my heart
That's not the shape, the shape of my heart
