Summer is coming: Plans and Predictions

Maria, Juan, and Leo are talking about their summer vacation.

Maria is very organized. She has everything ready. She is traveling to Arequipa this weekend. She has tickets and a reservation. She is visiting her family there.

Juan is at the station with his friend. They see two options: the beach or the mountains. Juan is not sure. He says they could go to the beach, or they could travel to the mountains.

Leo is in the mountains looking at the sky. He sees dark clouds and rain starting. He says it may rain soon. Then he says, "It's raining now... I will stay at home."

WHILE READING:

1. Color coding: Underline in the text:

- ■ Green → Present Continuous (plan)
- ■ Blue → Will (decision / prediction)
- ■ Red → May / Could (maybe / options)

2. TRUE or FALSE
