Hi, I'm Linh. I'm in grade 5. On weekends, I often help my mom with housework and read books. But last Saturday was special. It's autumn now so the weather was cool and cloudy. In the morning, my family went to the countryside to visit my grandparents. We rode our bikes along the roads and saw many yellow leaves. This is my favourite season.

After that, we had a big lunch with my grandparents. My grandma cooked delicious roasted chicken and vegetable soup from her garden. In the afternoon, we went on a picnic in the field near a river. The air was so fresh. I hope that in the future, there won't be any pollution. My dad tried to juggle. It was so much fun! My little brother laughed a lot. In the evening, we came back home.
