

Read the text and mark the sentences 1 (True), 2 (false) or 3 (Not stated).

Facts about Crocodiles

Many crocodiles live in Africa. But they live in other continents too. Big crocodiles can be 5 - 6 metres long. Baby crocodiles are 20 cm long. Crocodiles swim very fast. They can stay under water for 2-3 hours. They often sleep with their mouths open. They can hear very well. They can live for months without food. Crocodiles can eat anything: small fish, birds, big animals and even smaller crocodiles. They can kill people too. Crocodiles live for about 70 years.
