Tina and her brother Tom wanted to surprise their mum on Mother's Day. Their mum's name is Jenny. Tina made something at school using paper, glue, and bright colors. She worked very hard on it and wanted it to look beautiful.

Tom didn't make anything. He went to a shop and bought a bottle of perfume for his mum. Their friend Maggie also made a cake for her own mother, but that was for a different family.

On Mother's Day morning, Tina and Tom gave their presents to Jenny. She smiled and thanked them both.
