A strange thing happened yesterday. Ali Hassan was in his car workshop with his guard dog, Rocky. Ali was working on a car when a fire suddenly started in the workshop. He and Rocky quickly ran outside to safety.

Ali tried to put out the fire. He was spraying water on the workshop when he said, "I need help!" Rocky ran away, and Ali thought that the dog was hiding from the fire. He kept spraying the fire with water.

A little while later, Rocky came back—but he wasn't alone. Behind him was the city fire department. The firefighters had been working nearby when Rocky ran up to them. They noticed the smoke in the distance and followed him back to Ali.
