

Identify the Noun and Pronoun from the given paragraphs:

### **Paragraph 1: The Happy Brothers**

Rohan and Aarav are two happy brothers who love spending time together. They enjoy sitting on the concrete stairs and smiling for the camera. Rohan, the older brother, wears a bright yellow shirt, while Aarav, the younger brother, is wearing a red shirt. Their mother took this beautiful photo to remember their special day. They look so happy, and their family will always cherish this wonderful memory!

### **Paragraph 2: A Day at the Park**

Liam and Noah decided to visit the local park on a sunny afternoon. They packed a delicious lunch to share with their friends. First, they ran to the large slide and played games until they were tired. He and his friends then sat under a big tree to eat. It was a perfect day for an outdoor adventure!

### **Paragraph 3: The School Project**

Sarah and Emma worked hard on their science project for school. They wanted to build a model volcano out of clay. It took a lot of time and materials, but they did not give up. Their teacher, Mrs. Smith, loved the project and praised them for their great teamwork.

### **Paragraph 4: The Clever Dog**

Max is a very smart dog who lives with the Miller family. He loves to play fetch in the backyard with his favorite toy. Whenever he drops the ball at the door, he wags his tail happily. They always give him a tasty treat when he brings it back!
