### 1.- LOOK AND MATCH.

|                                                                                     |                                                                                     |                          |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|--------------------------|-------------------------------------------------------------------------------------|
| <input type="checkbox"/>                                                            |    | or we will miss the bus. | <input type="checkbox"/>                                                            |
|    | The food tastes great!                                                              | <input type="checkbox"/> |  |
| He shouldn't swim there.                                                            | The test will be hard.                                                              | <input type="checkbox"/> | The movie is good!                                                                  |
| You should try it.                                                                  |  | It looks dangerous.      |                                                                                     |
| <input type="checkbox"/>                                                            | We should study.                                                                    |                          |                                                                                     |
|  | You should watch it.                                                                |                          |                                                                                     |
| <input type="checkbox"/>                                                            | We should leave right now,                                                          |                          |                                                                                     |

### 2.- LISTEN AND MATCH. THERE ARE TWO EXTRA PEOPLE.
