Dear Betty,

I'm sorry I didn't call you last night. My older brother, Oscar, finished school last week and we had a long family dinner yesterday. Oscar wanted to get a summer job at a supermarket, but he's going to work as a waiter. He's very happy. My uncle is a chef in a small hotel in the mountains and helped Oscar find this job. Oscar starts his new job on June 20th but he wants to go there on June 15th to have a few free days. My dad says we can visit him when the school holiday starts on the 30th. That'll be fun. We're going to buy him a present before he goes. My dad is thinking of a mobile phone but they're too expensive. I think we should buy him a watch because he's always late. But my mum says that's not a very nice present. She'd prefer to buy him a new wallet. What do you think?

Cheers, Daniel
