2. I don't regret watching the movie.
3. The movie is unsuitable for kids
4. The movie should be rated differently.

man

woman

both

Listen carefully for expressions of agreement or disagreement.

I couldn't agree more
We're on the same wavelength
We're of a like mind

We'll have to agree to disagree
I'm afraid we don't see eye to eye
I see your point, but (however)
