Reading

Use the following to answer questions 21-25:

Read the text. Choose *True* or *False*.

Jake has two sisters, Kara and Katie. They are twins. They look alike, but they are very different.

Kara is the one who makes more money. She works for a company that makes apps for smartphones. She is serious and smart. She sits at a desk all day and works very hard. She gets quite stressed by her job, so she does yoga in the evening to relax. Every Saturday, she volunteers for a charity that protects the local wildlife.

Katie is not like her sister at all. She is the one who is artistic. She loves to dance. In fact, she teaches dancing lessons. Most of her students are young children, so she has to be very patient. Her job is quite tiring, but she always has a lot of energy.

Kara and Katie like each other very much, even though they are so different. On the weekend, they call each other to talk about their week, and sometimes they have lunch together or watch a movie—if they can agree on what to watch. Kara likes movies that are funny, but Katie prefers movies that are scary. Sometimes they call Jake to ask him to choose a movie for them!

21. Kara is the same age as Katie.
A) True
B) False
22. Kara and Katie have similar personalities.
A) True
B) False
23. Kara doesn't like animals.
