Name: _____ Date: _____

I know it is summer now, but I can't wait until next winter because I am going to Norway. I can't wait to visit a cold country like Norway. I think it will be really cold and there will be lots of snow. It won't be sunny because it will be dark all day. Some people say having no sun makes you feel sad, but I think I will feel happy when I am there. My trip will be amazing!
