Cutlery

Bread and butter plate is a small plate. It is always placed above the forks to the left of the setting. Forks are placed below the bread and butter plate. There are three kinds of forks. They are dinner fork, fish fork and salad fork. Soup spoon is set on the right of the knives. Knives are between the service plate and soup spoon. Napkin is always placed on top of the service plate. Glasses are set above the knives and soup spoon.
