Read the following passage and mark the letter A, B, C, or D on your answer sheet to indicate the correct answer to each of the following questions from 31 to 36.

In today's world, career choices are more **diverse** than ever. Many people choose traditional jobs such as teachers, doctors, and engineers. These professions are important and offer job security and good salaries. However, many new career paths have emerged in recent years. Fields like technology, social media, and environmental science have become popular options for young people.

Many students are now interested in jobs related to technology, such as software developers, data analysts, and IT support. These jobs often require skills in programming and problem-solving. Social media managers and digital marketers are also in demand as businesses seek to improve their online presence.

In addition, more people are choosing to work in fields that help the environment, such as renewable energy and conservation. These jobs are important for protecting the planet and can be very rewarding.

When choosing a career, it is essential to consider your interests and skills. A **fulfilling** job can lead to happiness and success.

Question 31. What is the main idea of the reading passage?

A. Career choices are limited to traditional jobs.
B. New career paths have emerged alongside traditional jobs.
C. Technology jobs are the only options for young people.
D. Environmental jobs are not popular among students.
