

SONNET 18

Listen to the song and circle the correct option.

Can I compare you to a 1) **summer** / **winter** day?

You are more beautiful and more kind.

Strong 2) **winds** / **rivers** can hurt the spring flowers,
And summer ends too 3) **fast** / **slow**.

Sometimes the sun is very 4) **hot** / **cold**,

Sometimes clouds hide the sun.

Beautiful things do not stay 5) **forever** / **outside**,

Because time changes everything.

But your beauty will not 6) **fade** / **jump**,

And people will not forget you,

Because this poem keeps your 7) **memory** / **food**.

As long as people live and 8) **read** / **sleep**,

These words will stay alive,

And they will keep you 9) **alive** / **hidden** too.
