2. Last year, we **...** a trip to the mountains.
   Finally, a decision was **...** about where to go on holiday.

3. My brother always **...** a hotel in advance to avoid problems.
   I prefer reading non-fiction **...** because I like to learn true facts.

4. In Germany, the train usually **...** on schedule.
   My neighbour **...** his business from a small office at home.

5. We arrived just in **...** for the start of the film.
   Please, speak one at a **...** so the teacher can understand you.

6. We were late because there was **...** traffic on the motorway.
   The garden is beautiful because of the **...** rains last week.

7. Travelling to new places really broadens your **...** .
   He doesn't **...** waiting for his friends after school.

8. It's not nice to make **...** of people for their accents.
   I play the guitar just for **...**, not as a professional.

9. A bicycle is an eco-friendly **...** of transport.
   A red sky at night often **...** that the next day will be sunny.

10. I **...** a bus to the city centre earlier this morning.
    My brother stayed home because he has **...** a cold.

11. My parents **...** married twenty years ago in a small church.
    She **...** off the bus at the wrong stop and had to walk.

12. The plane **...** off two hours late due to the storm.
    I **...** for granted that my mum would do my laundry, but now I do it myself.

13. When we visit London, we want to **...** the sights like Big Ben.
    I don't always **...** eye to eye with my brother about what to watch on TV.

14. We have been **...** forward to this holiday for months.
    My grandparents are **...** after our dog while we are away.

15. We have **...** photos of all the famous monuments.
    Photography is a hobby which can be **...** up at any age.

16. Please, feel **...** to ask any questions if you don't understand.
    The museum offers guided tours **...** of charge every Sunday.

LIVEWORKSHEETS
